

APRIL 2017 REFLECTIONS

HIGHLIGHTS

APRIL MONTHLY THEME

We started the month celebrating “Easter” by making nice Easter Art Projects, coloring Eggs, having Easter Egg Hunt, reading Easter Books and wishing everybody a “Happy Easter Sunday”.

Later in the month we talked about “Spring” and all the changes going on during this season. We learned about seeds, how they grow and turn into plants. We learned the parts of the plants and we even grew our own lentil seeds until they turned into cute little plants that we took home.
Happy Spring Everybody!!

FAVORITE SONG OF THE MONTH

Part of the Plant

The parts of the plant are roots, roots, roots,
 Stem, stem, stem, leaves and flowers.

The parts of the plant are roots, roots, roots,
 Stem, leaves and flowers.

FAVORITE FINGERPLAY & RHYME

Here is the Beehive

Here is the beehive, where are the bees?
 They’re hiding away so nobody sees,
 soon they’ll come creeping out of hive
 One, two, three, four, five, Buzz-z-z-z-z-z

FAVORITE ACTIVITY

Pin the Cottontail on the bunny

Blindfold one of the children and ask the blindfolded child to stick a cotton ball on a drawn Bunny. The other friends can give that child clues/directions to help that child stick the cotton ball on the right place.

CREATIVE STORIES
