

# HIGHLIGHTS

## SEPTEMBER MONTHLY THEME

During September children discovered the wonders in their bodies. They learned about their 5 senses, their bones, their muscles, their feelings and how their bodies work. They also learned about their families, their relatives, their friends and how they influence in their lives. It was fun to learn about ourselves!

### FAVORITE SONG OF THE MONTH

#### I am Special (tune of Frere Jacques)

I am Special. I am Special.  
 Look at Me. Look at Me.  
 Someone's very Special. Someone's very Special.  
 It is Me! It is Me!

### FAVORITE FINGERPLAY & RHYME

#### Two Little Hands

Two little hands go clap, clap, clap.  
 Two little feet go tap, tap, tap.  
 One little body turns around.  
 One little body sits quietly down.

### FAVORITE ACTIVITY

#### Mirror Me

Have the children stand in two lines, facing one another. One side is assigned to be the reflection in the mirror. As one child moves, the child in front of him/her tries to mimic the exact movements.
